I/We hereby certify that the unvented hot water storage system at the above premises has been installed by me/us and to the best of my/our knowledge and belief is fitted in accordance with the manufacturer's instructions. The system has been tested by me/us and was found to be operating as designed, with all safety devices to ensure that the temperature of the stored water does not exceed 100°C at any time; and devices to control the working pressure and to relieve excessive pressure fully functioning.

I/We also confirm that the installation was carried out by a person holding a current Registered Operative Identity Card for the installation of unvented hot water storage systems issued by:

- (a) The Association of Installers of Unvented Hot Water Storage Systems (Scotland and Northern Ireland);
- (b) The Institute of Plumbing;
- (c) The Construction Industry Training Board; or
- (d) Other equivalent body (please state certifying body)

I/We attach a copy of my/our current Registered Operative Identity Card.
